Many people have expressed the desire to have an organization fully owned by the Kenyan community in New England to lobby and advocate for their civic needs. The time has now come to put those desires into reality. Among the major **benefits of membership** are:

- Financial help in times of death of close family members and legal problems.
- Promotion of business, talents, gifting or ideas.
- Membership card with unique membership number and certificate of good conduct.
- Kenyan language classes & culture for children, seminars and conferences of community importance.
